PROPOSED ORDINANCE

Submitting a Proposed Ordinance sponsored by

JOHN H. STROGER, JR., President, Cook County Board of Commissioners

Co-Sponsored by

JOHN P. DALEY, County Commissioner

PROPOSED ORDINANCE

WHEREAS, Cook County is a home rule unit of local government pursuant to Article 7, Section 6a of the Illinois Constitution of 1970 with power to regulate those matters which pertain to its government and affairs; and

WHEREAS, in the exercise of home rule powers, Cook County adopted an ordinance governing procurement authority for the offices and departments of Cook County Government.

NOW, THEREFORE, BE IT ORDAINED THAT:

Section 1. Sections 10-17 and 10-18 of the Cook County Purchasing Ordinances shall be amended as follows:

10-17. The Board of Commissioners of Cook County shall have no power or authority to delegate to any committee or other person or persons the "power to act", when such "power to act" shall involve the letting of any contract or the expenditure of public money exceeding the sum of ~~\$10,000.00~~ 25,000.00 except in the following instances: The payment of public utility bills and the payment of rent, pursuant to the provisions of a lease previously approved by the Board of County Commissioners; and any action of said board, or of any committee thereof, or of any other person or persons in violation of this section shall be null and void. No money shall be appropriated or ordered paid by said County Commissioners, beyond the sum of ~~\$10,000.00~~ 25,000.00 unless such appropriation shall have been authorization by a vote of at least two-thirds of the members elected to the said county board. And no officer of Cook County, or other person shall incur any indebtedness on behalf of. the county, unless first authorized by said Board of Commissioners.

10-18. The purchases of and contracts for supplies, materials, equipment, and contractual services and all sales of personal property which has become obsolete or unusable shall be based on competitive bids. If the amount involved is estimated to exceed ~~\$10,000.00~~ 25,000.00, sealed bids shall be solicited by public notice inserted at least once in a newspaper of county-wide circulation and at least five calendar days before the final date of submitting bids. Such notices shall include a general description of the commodities or contractual services to be purchased or personal property to be sold and shall state where all blanks and specifications may be obtained and the time and place for the opening of bids. The County Purchasing Agent may also solicit sealed bids by sending requests by mail to prospective suppliers and by posting notices on a public bulletin board in his office. Purchases, excluding professional services, having a cost of \$750.00 or less may be made with "petty cash" in the open market. All purchases greater than \$750.00 and less than \$25,000.00 of \$10,000.00 or less may be made in the open market without publication in a newspaper as above provided but whenever practical shall be based on at least three competitive bids. No purchases, orders or contracts of \$10,000.00 25,000.00 or more shall be made unless authorized by the Board of Commissioners. All sales of obsolete or unusable material shall be made to the highest responsible bidder. Whenever the Board of Standardization hereinafter provided for shall have prescribed standard specifications, bids on purchases of supplies, materials, and equipment shall be based on such standard specifications. All purchases, orders, or contracts shall be awarded to the lowest responsible bidder, taking into consideration the qualities of the articles supplied, their conformity with the specifications, their suitability to the requirements of the County and the delivery terms. In the determination of the award to the lowest responsible bidder, nothing-herein shall be interpreted to preclude an award to a bidder other than the lowest actual bidder if such an award is made in furtherance of affirmative action policies adopted by the County Purchasing Agent for the promotion of nondiscriminatory hiring practices and equal employment opportunity. Provided, however, that the award of all contracts shall be responsible and reasonable. Any bid may be rejected and new bids may be solicited if the public interest is served thereby. Each bid, with the name of the bidder, shall be entered on a record, which record with the successful bid indicated thereon shall, after the award of the purchase or order or contract, be open to public inspection. A copy of all contracts shall be filed with the County Comptroller and with the County Purchasing Agent.

Section 2. This amendatory ordinance shall take effect and be in force immediately after its passage.

Commissioner Daley, seconded by Commissioner Goslin, moved that the Proposed Ordinance be referred to the Committee on Finance. (Comm. No. 256564). **The motion carried unanimously.**

PROPOSED ORDINANCE

Submitting a Proposed Ordinance sponsored by

ROBERTO MALDONADO and JOSEPH MARIO MORENO, County Commissioners

Co-Sponsored by

DEBORAH SIMS, MIKE QUIGLEY and ANTHONY J. PERAICA, County Commissioners

PROPOSED ORDINANCE

WHEREAS, the County of Cook is a home rule unit of government pursuant to the 1970 Illinois Constitution; and

WHEREAS, pursuant to its home rule power, the Board of Commissioners of Cook County may exercise any power and perform any function relating to its government and affairs including protecting the public health, welfare and safety of its citizens; and

WHEREAS, there are many Latino immigrants residing in Cook County who do not possess a form of identification issued by a federal or state government agency; and

WHEREAS, many Latino immigrants who live and work in Cook County are taxpayers who help pay for and rightfully seek out County services; and

WHEREAS, the City of Chicago, the County of Cook, and many other public and private entities, currently recognize an identification card issued by the Mexican Consulate, known as a *Matricula Consular*, as a legal form of identification; and

WHEREAS, the Mexican Consulate requires sufficient confirmation of a person's identity before issuing a *Matricula Consular* card and the card contains several security features designed to prevent falsification; and

WHEREAS, Cook County should also recognize the *Matricula Consular* cards of other Latin American consulates who create an identification card system that meets the high standards of security established by the Mexican Consulate; and

WHEREAS, the acceptance of *Matricula Consular* cards as valid forms of identification increases our sense of security and our ability to protect the public health and safety of all of the residents of Cook County.

NOW, THEREFORE, BE IT ORDAINED, BY THE BOARD OF COMMISSIONERS OF COOK COUNTY:

Section 1. The *Matricula Consular Ordinance*, (02-O-27), amending Chapter 5, Departments and Agencies, General Provisions, of the Ordinances & Resolutions of Cook County is hereby amended by inserting the language underscored as follows:

CHAPTER 5-4 IDENTIFICATION CARDS

(a) Recognition of *Matricula Consular* as valid identification. When requiring members of the public to provide identification, each County department shall accept as valid identification of the person a "Matricula Consular" identification card issued by the Mexican Consulate.

(b) Recognition of other *Matricula Consular* as valid identification. When requiring members of the public to provide identification, each County department shall accept as valid identification of the person a "Matricula Consular" identification card issued by any other Latin American country that is represented by a consulate office in Cook County, to its citizens or nationals if the issuing country's consulate has certified that the identification card meets the following security requirements:

- (i) The issuing country authorizes the use of the card as an alternative to a passport for re-entry into the issuing country; and
- (ii) the card holder was required to provide proof of identity, nationality, and address in order to obtain the card; and
- (iii) the card has a photograph of the person and the person's date of birth; and
- (iv) the card has physical security features reasonably designed to protect against fraud and counterfeit reproduction, including the use of bonded paper, lamination, a hologram, an embedded signature of the issuing officer, and serialization.

(c) The Chief Administrative Officer ("Officer") shall compile and make available to County departments a list of the identification cards and the issuing countries that have been determined to meet the requirements of this section.

(d) The requirements of this section do not apply under circumstances where (1) a federal or state statute, administrative regulation or directive, or court decision requires the County to obtain different identification, (2) a federal or state statute or administrative regulation or directive preempts local regulation of identification requirements, or (3) the County would be unable to comply with a condition imposed by a funding source, which would cause the County to lose funds from that source.

(e) Nothing in this section is intended to prohibit the County department from (1) asking for additional information from individuals in order to verify a current address or other facts that would enable the department to fulfill its responsibilities, except that this section does not permit the department to require additional information solely because the Matricula Consular is the form of identification presented, (2) using fingerprints for identification purposes under circumstances where the department also requires fingerprints from persons who have a driver's license or State identification card.

Section 2. This ordinance shall take effect immediately upon approval.

Commissioner Hansen, seconded by Commissioner Daley, moved to suspend the rules so that this matter may be considered. **The motion carried unanimously.**

OFFICE OF CAPITAL PLANNING AND POLICY

CAPITAL PROGRAM ITEM

Transmitting a Communication, dated December 12, 2002 from

MICHAEL E. LAMONT, Director, Office of Capital Planning and Policy

Transmitted herewith for your approval is a request for approval of Contract Modification No. 7 in the amount of \$600,000.00 payable to Walsh/Riteway, Joint Venture, Construction Manager for the New Cook County Hospital Project. It is respectfully requested that this honorable body approve this request.

This amount of \$600,000.00 will be added to the \$2,806,000.00 worker compensation and general liability insurance allowance that the Board approved on October 18, 2001. The reason for the increase is that additional construction work hours over and above what was estimated in 2001 were necessary to complete the project. The new amount of \$3,406,000.00 will remain a not-to-exceed allowance to cover replacement worker's compensation, employer's liability insurance and general liability after November 2, 2001.

JOURNAL OF PROCEEDINGS FOR DECEMBER 17, 2002

Contract No. 97-50-1104 Rebid

Original contract sum	\$301,800,000.00
Total modifications to-date:	<u>43,990,000.00</u>
Adjusted contract to-date:	\$345,790,000.00
Amount of this modification:	<u>6,000,000.00</u>
Adjusted contract sum:	\$346,390,000.00

Estimated Fiscal Impact: \$6,600,000.00. Bond Issue (22000 Account).

Sufficient funds have been appropriated to cover this request.

Commissioner Sims, seconded by Commissioner Maldonado, moved that the request of the Director of the Office of Capital Planning and Policy be approved. **The motion carried.**

Commissioners Daley, Moreno and Silvestri voted "present".

DEPARTMENT OF CENTRAL SERVICES

CONTRACT ADDENDUM

Transmitting a Communication from

DONALD C. BRANNIGAN, Director, Department of Central Services

requesting authorization for the Purchasing Agent to extend for six (6) months, Contract No. 02-41-1002 with SBC Data Comm, Inc., Chicago, Illinois, for hardware and software maintenance services for the Cook County wide area network (WAN).

Reason: The 2002 WAN maintenance contract purchased warranty coverage for less WAN equipment than in years past, and instead allocated money to be used for repairs on an as needed basis. This arrangement has worked to the County's advantage and the unused time and materials allocation can be used to purchase additional months of warranty coverage for the covered WAN equipment as the Bureau of Information Technology & Automation analyzes its WAN equipment warranty needs and plans for next year's contract.

Estimated Fiscal Impact: None. Contract extension: January 1, 2003 through June 30, 2003.

Commissioner Maldonado, seconded by Commissioner Silvestri, moved that the County Purchasing Agent be authorized to extend the requested contract. **The motion carried unanimously.**

OFFICE OF THE CHIEF JUDGE

GRANT AWARD

Transmitting a Communication, dated November 27, 2002 from

TIMOTHY C. EVANS, Chief Judge, Circuit Court of Cook County

requesting authorization to accept second-year grant funding in the amount of \$300,000.00 from the Illinois Criminal Justice Information Authority (ICJIA). This grant will fund Multi-Systemic Therapy (MST) services to delinquent minors identified by the court to be in need of clinical intervention. The grant succeeds the current grant which expired September 30, 2002.

Through the combined use of well-known therapeutic techniques such as cognitive behavior therapy, MST addresses complex issues faced by multi-need families. Intensive MST clinical interventions target the family as the client rather than the individual minor. MST clinicians provide therapeutic services for minors between the ages of 12 and 17 who have been diagnosed with mental health disorders, thereby helping reduce the number of minors placed in expensive residential treatment facilities by allowing minors to remain in their communities without compromising public safety.

Consistent with last year, grant funds will be used to pay for therapeutic services provided by Hartgrove Hospital, travel by staff, computers and telecommunications equipment, and office supplies.

This grant did not require a written application. As such, prior approval by the Cook County Board was not required.

The grant requires cash matching funds from Cook County in the amount of \$100,000.00.

Estimated Fiscal Impact: \$100,000.00. Grant Award: \$300,000.00. Funding period: November 1, 2002 through October 31, 2003. (326-249 Account).

Commissioner Maldonado, seconded by Commissioner Silvestri, moved that the request of the Chief Judge of the Circuit Court of Cook County be approved and that the Proper Officials be authorized to sign on behalf of Cook County. **The motion carried unanimously.**

Ladies and Gentlemen:

Your Committee on Finance of the Board of Commissioners of Cook County met pursuant to notice for a public hearing on Thursday, December 5, 2002 at the hour of 10:30 A.M. in the Board Room, Room 569, County Building, 118 North Clark Street, Chicago, Illinois, to explain the 2003 Proposed Property Tax Levy for the County of Cook and receive public testimony regarding said proposed tax levy.

Chairman Daley stated the State legislature enacted the Cook County Truth in Taxation Act that requires taxing districts to disclose by publication and to hold a public hearing on their intention to adopt a tax levy. The Act provides that a notice of intention to adopt a proposed property tax levy and the designation of a time and place for a public hearing be published in a newspaper of general circulation within the taxing district.

Chairman Daley further stated that in accordance with the Truth in Taxation Act, the date of the public hearing shall be the first Thursday in December, which is today.

Sandra Williams, Secretary to the Board, stated the notice for this public hearing was published in the form required under the law, in the Chicago Sun-Times on Monday, November 25, 2002.

Chairman Daley asked the Secretary to read the notice into the record. (The referenced documents are on file in the Office of the County Clerk.)

JOURNAL OF PROCEEDINGS FOR DECEMBER 17, 2002

Chairman Daley called upon the Chief Financial Officer, Tom Glaser, to explain the 2003 proposed property tax levy.

Mr. Glaser gave an overview of the tax levy by fund, as reflected in the executive budget summary charts. He referenced the seventh page of charts, which shows a history of the property tax levy going back to 1995 when President Stroger took office. He commented that the overall property tax levy has been held constant with the 2003 proposed budget at \$720.5 million for the fourth consecutive year. He stated the property tax levy has slightly increased from \$711 million in 1995 to \$720.5 million in 2003, however abatements have been done over that time period. As a result, the overall levy has essentially remained flat over the last eight years.

Chairman Daley asked the Secretary if requests from members of the public indicating a desire to be heard at this public hearing had been received.

The Secretary stated that one individual, Mr. William E. Kyle, a concerned citizen, had registered to testify. The Secretary proceeded to call Mr. Kyle.

Hearing no response from Mr. Kyle, the Chairman asked if anyone present wished to testify. Hearing none, Chairman Daley then returned to the Commissioners for questions.

In response to Commissioner Claypool's question regarding if there would be a vote taken, Chairman Daley clarified that a vote will not be taken and that the meeting is a public hearing.

In response to Commissioner Peraica's request, Grace Colbert, Budget Director gave an overview of the budget. Ms. Colbert also clarified the revenue figure is inclusive of all fee revenue.

In response to Commissioner Peraica's remark regarding a potential budget deficit, John Chambers, County Comptroller, stated that by law, the county is required to present and approve a balanced budget, so there is no deficit in the 2003 budget.

He further stated that 2003 revenue estimates include aggregate fee income from all sources. Fee revenue is higher due to successful efforts by the Bureau of Health Services to maximize state and federal reimbursements, collections from third party payers, insurance companies, and individuals. Mr. Chambers also gave an overview of general operating funds, special revenue funds, home rule taxes and grants. Mr. Chambers agreed to provide all new commissioners with a copy of the Revenue Estimate book.

In response to Commissioner Peraica's question regarding the Village of Rosemont, President Stroger stated that he would ask the State's Attorney's Office for a status update regarding the litigation.

Chairman Daley stated that every commissioner should receive a copy of the status report.

Commissioner Sims moved to adjourn the meeting, seconded by Commissioner Maldonado. The motion carried and the meeting was adjourned.

Respectfully submitted,

COMMITTEE ON FINANCE

JOHN P. DALEY, Chairman

ATTEST: SANDRA K. WILLIAMS, Secretary

REPORT OF THE FINANCE REAL ESTATE SUBCOMMITTEE

December 12, 2002

The Honorable,
The Board of Commissioners of Cook County

ATTENDANCE

Present: Vice Chairman Goslin, Commissioners Butler, Gorman and Peraica (4)

Absent: Chairman Steele, Commissioners Maldonado and Moreno (3)

Also Present: Andrew Kruzel - Real Estate Management Division

Ladies and Gentlemen:

Your Finance Real Estate Subcommittee of the Board of Commissioners of Cook County met pursuant to notice on Thursday, December 12, 2002 at the hour of 11:15 A.M. in the Board Room, Room 569, County Building, 118 North Clark Street, Chicago, Illinois.

Your Committee has considered the following item and upon the adoption of this report, the recommendation is as follows:

256335 REAL ESTATE MANAGEMENT DIVISION, by John W. Davis, Director, transmitting a Communication, dated November 20, 2002:

On December 18, 2001, the Board of Commissioners approved a lease (the "Lease") for use by the Adult Probation Department of 4,437 square feet (the "Premises") to be constructed on the second floor of an existing building. The landlord is Atlantic Mall Corporation (the "Landlord") and the building is located at 3934 West 26th Street, Chicago, Illinois.

The Lease provides that the term of the Lease will commence 14 days after substantial completion, estimated to occur on April 1, 2002. The Lease also gives the Tenant the right to terminate the Lease if the premises are not substantially complete by December 18, 2002, one year after approval of the Lease. However, if the Landlord substantially completes the Premises during the thirty days after notice is given, the termination is null and void.

While awaiting delivery of the Premises, the Adult Probation Department is occupying space on the first floor of the building (the "Temporary Premises") on a month-to-month lease approved by the Board on December 18, 2001.

The Premises has not been substantially completed and, in fact, appears to be some weeks away from completion. Further, the Adult Probation Department has concerns regarding maintenance of the Temporary Premises that have not been adequately addressed by the Landlord. Representatives of the Adult Probation Department have requested that the County terminate the Lease in accordance with its terms, and exercise the right to terminate the Temporary Premises lease on 30 days notice. Staff currently occupying the Temporary Premises will be relocated to existing locations.

Based upon the foregoing, respectfully requesting authority to serve the thirty (30) days termination notice under the Lease, to terminate the Temporary Lease, and to serve any other notices and take any other actions necessary to effectuate such terminations.

***Referred to the Finance Real Estate Subcommittee on 12/3/02.**

JOURNAL OF PROCEEDINGS FOR DECEMBER 17, 2002

Commissioner Peraica stated under normal circumstances the Forcible Entry and Detainer Act would have a shorter notice period for a violation of a lease provision. He asked if the thirty (30) days notice is built into the contract or was it selected in another fashion?

Mr. Andrew Kruzel, representing the Real Estate Management Division responded that the thirty (30) days notice is built into the contract.

Commissioner Butler, seconded by Commissioner Gorman, moved the approval of Communication No. 256335. The motion carried.

Commissioner Butler moved to adjourn the meeting, seconded by Commissioner Peraica. The motion carried and the meeting was adjourned.

Respectfully submitted,

FINANCE REAL ESTATE SUBCOMMITTEE

GREGG GOSLIN, Vice Chairman

ATTEST: SANDRA K. WILLIAMS, Secretary

Commissioner Steele, seconded by Commissioner Peraica, moved that the Report of the Committee on Finance Real Estate Subcommittee be approved and adopted. **The motion carried unanimously.**
